The year 2020 marks the 75th anniversary of the end of hostilities in both Europe (8th May 1945) and in Japan (15th August 1945). These are important milestones in the history of our country and the **Cutthorpe Matters Village Charity** would like you to join us on 15th August to reflect on the enormous sacrifice, courage and determination of people from all walks of life who ensured that we can live our lives freely today.

Coronavirus unfortunately meant that we had to cancel our plans in May, we are now planning (weather permitting!) to hold this small reflective ceremony on the Cutthorpe Recreation Ground, where social distancing can be respected.

We hope that you will be able to join us.
