

Village Fish Van

Did you miss the first time the fish van from Grimsby called in the village (or had you missed the news on the website)? Ocean Fisheries will be calling every 3rd Friday, in the Three Merry Lads car park between 12.20 and 12.40 – the next visit will be December 18th. The prices and quality are fantastic value (e.g. £9 for 2.2kg of most frozen fish) - there is a full price list on the Cutthorpe village website. If a pack is too much to fit in your freezer you could always share it with someone else.

Cutthorpe Carnival 2016

It's never too early to be thinking of the next Carnival and plans are already forming for another successful event.

We're delighted that Karen and Mick are back on board with their wealth of experience but we always need new help and ideas. Stalls only cost £10 so if you have a hobby or pastime that could be displayed and/or sold why not get involved? How about a produce stall? - Allotmenters could get together. Jams and cakes are always popular.

So if you are interested, have any ideas or would be prepared to get involved in some way contact Karen at mlane.builders@virgin.net

Comings and Goings

Welcome to **Pete and Jane Martlew** at 4 Hall Close

A belated welcome to **Peter and Arlene Friend**, 19 The Square

Congratulations to Richard White and his partner, Jenny, on the birth of their son Thomas James in October. Richard was brought up in Cutthorpe, and attended Cutthorpe School. Proud grandparents are Ray and Lynne White of Cutthorpe Grange.

A fond farewell to **Tony and Jan Kartawick** and **Ian and Margaret Kinniburgh**.

Parish Councillor **David McKenzie** passed away at the end of November.

Cutthorpe lost one of its longtime residents in September, with the death of **Freda Collins**. Born and brought up in Monks Wood, Barlow, Freda had lived in Cutthorpe for very many years, on Common Lane, in Rosene Cottages and recently on Riggotts Way. She was a familiar sight around the village, walking her brown labrador, Dublin, and will be missed by many of us

Mrs Esther Turner, of Overdale, Main Road, passed away on 7th September aged 95.

Environment

Firstly can I thank all the individuals who have helped to plant spring bulbs in the grass verges, three large sack loads of mixed daffodils and some dwarf tulips should give us a lovely show of colour in the spring, we may feel the need to continue further up into the village next autumn.

A note for all local gardeners, we are considering having an open garden day in Cutthorpe, it would be a great fundraiser if we organise it well. Having visited many Derbyshire villages this year we have quite a few ideas to what makes a good day for everyone. However we first of all need to ask how many of you would be willing to open your gardens for a day in summer 2017, if you would then please contact me by phone or email so we can gauge the interest.

Gardening tips for December:

- Prune apple and pear trees
- Check all your winter protection is in place and secure
- Enjoy a short rest till we start preparing for next spring
