

Environment

We are pleased to report that more bulbs have been purchased and planted to make the village look even more colourful in the spring. Following the success of the daffodils we have tulips and crocuses to add to the palate of colour.

We are still hoping to hold an Open Gardens, probably in 2018 so get in touch with Anne if you are interested in joining in.

Garden tips for December

Take hardwood cuttings

Cutthorpe WI

At our Annual Meeting held at the beginning of November, members voted to continue for another year. We hope to provide as varied a programme next year as we have had this year including Tai Chi, graphology and various craft projects. Members took the opportunity to thank our retiring president, **Joyce Cratchley** for her many years of dedication to and hard work for Cutthorpe W.I.

Visitors are always welcome at our meetings, so why not come along and see for yourselves what we do. Our next meeting will be on **2nd February** (first Thursday) when the talk will be about a Hungarian Field Post Office in World War II. Look out for further information on the Cutthorpe website and on notices at the Institute. For more information contact Sue Foster on 233059.

The family kindly prepare and provide a parking field for village events, supply straw for the well dressing and scarecrows, and loan a trailer when needed. They have already assured us a field will be available for next Summer and we appreciate the quiet support we get from them

Live at the Institute - Reviews "The Lunatic Line"

Thanks go to Brian Pettitt for his fascinating talk on 6 October on the building of the railway from Mombasa to Lake Victoria via the Great Rift Valley. With the help of African memorabilia, Brian told the story from the point of view of a man who had himself been "up-country".

Folk-rock legend wows Cutthorpe

Those of you who couldn't get to the evening's sell out entertainment missed a treat. Local resident Ashley Hutchings MBE (aka The Guv'nor), founder of Fairport Convention, Steeleye Span and The Albion Band, gave us a great performance - with music, poetry and reminiscences, ably assisted by Becky Mills singing and playing guitar. We were also very lucky to have the irrepressible local star (from Newbold) Judy Dunlop,

We are extremely grateful to Ashley, described by Bob Dylan as "the single most important figure in English folk-rock", and all the performers who gave their time for free. Thank you Ashley for a superb evening.

These two events were in support of the village's appeal to purchase Cutthorpe Institute, with more than £815 being raised.

Institute Fundraising Appeal 2016

On behalf of the Parish Council we would like to thank everyone who has been involved with the fundraising process towards the purchase of the Institute, so far £4,960 has been received.

The grant application has been submitted to Viridor Credits, we have had a positive site meeting with the grant funder and we hope to have the result sometime in December. Thank you for the 15 letters of support and the 226 signature petition that we have been able to submit as part of the application, hopefully the outcome will be positive news.
