Calendars 2018

Thanks to everyone for sending in their photos for the calendar. The quality was very high and we're sorry we had to turn down so many good pictures. We are going to stick with the Landscape format for next year and we have set up a new dedicated email address where you can send in your pictures. It is calendarcutthorpe@hotmail.com.

If anyone would like any further copies of this year's calendar please contact either John Robinson (01246 232230) or Jane Johnstone (01246 234945)

Cutthorpe Village Charity

We have now held 3 meetings to discuss the setting up of this Charity and are near the point of submitting our application to the Charity Commission. If all goes well we should hear their response by the end of January 2019.

We are pleased to have been able to recruit some village residents who have come forward to make up the first group of trustees. We won't be adding any more for the initial set up but we are always pleased to hear from people who might like to get involved in the future as a healthy turnover is what we would hope to achieve.

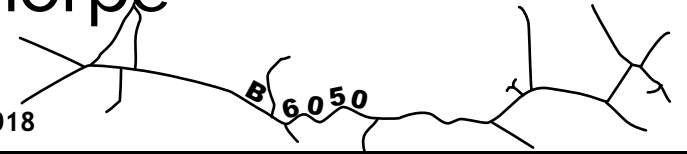

The initial purpose of the charity will be to bring together some of the current activities that go on in the village under one financial accounting set up, and in the future enable us to create more. We will be looking to find out what other undertakings the residents of Cutthorpe would appreciate.

An update on the Charity will appear in the next Newsletter and in the meantime you will soon be able to find out more information in a Question and Answer page on the village website.

New Pilates Classes - Cutthorpe Institute

Classes will run on Tuesdays 1.30-2.30 pm on a block booking basis during term time. The first block will be 6 weeks and the classes are £7.50 per class. If there is sufficient interest a taster class will be run in December - contact Laura to express an interest and find out more information. Telephone: 07773 819663, email laura@willowtreepilates.co.uk. The classes are suitable for both men and women and all ages and abilities. No experience is necessary. Participants will need to bring a mat if they have one (a few spares available), water to drink and wear comfortable clothing, leggings/joggers and t-shirt plus a jumper/sweatshirt for use during warm up. Socks or bare feet are required.

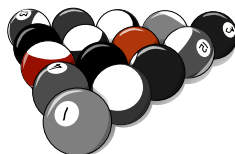

The benefits of Pilates include improvements to strength, muscle endurance, flexibility, mobility, posture, reduced aches and pains and release of stress. Laura is a practicing nurse and a qualified Pilates teacher. Another class will be run in Barlow hall on Wednesday evenings.

Cutthorpe Creatives

Our second year has shown creative spirits growing including a variety of activities including a variety of activities including glass etching, decoupage, hammering flowers(!) and much more. Feel free to come and join us in the Institute, 7.00-9.00 pm on the second Wednesday in the month. £5 charge includes materials.

We have a stall at the Christmas Fayre in the Institute, so come and see some of what we have made and stock up on Christmas cards and gifts.

Pool at the Three Merry Lads

A pool club is now running at the Three Merry Lads. Our pool team consists of men and women from the age of 16 to 70. We have joined a local league, recently drawing 4-4 with top of the league team and could very easily have beaten them. We are always looking for new starters, we practice most Fridays and match night is Tuesday. Please come along to offer support or if you are interested in playing as a regular or as reserve. We need plenty of reserves as we all have family commitments and are not available every week. Contact Mark Gerrard to find out more budgerrard@me.com

Cutthorpe School News

We are looking to open the school up for the community of Cutthorpe and the wider community. This could be the residents come into school to help the children with reading, craft etc, use our outdoor facilities such as helping and showing children how to grow plants and vegetables, use our playground.

We are applying for funding to enhance our outdoor area by including a track around the perimeter. This will help everyone to get fit and get walking, the government calls it daily mile and we would love the residents to come and support us.

Do you have any ideas that could help to promote the links between school and community? We look forward to hearing from you.

If you have any ideas that could help to promote the community contact joanne.bell@cutthorpe.derbyshire.sch.uk.

Brampton Parish Neighbourhood Plan

I hope from previous newsletters that you are aware a group of us started a while ago down the long and winding road to develop a Neighbourhood Plan for our area. As an important part of gathering residents' views, early next year we will be delivering a survey to every household in the Brampton Parish, i.e. Cutthorpe, Old Brampton and Wadshelf. The responses we receive will form the basis of significant aspects of the plan. We hope as many residents as possible will complete the survey to help guide future developments in the three villages from now until 2034.

Now comes a very important point! Although every household will receive a printed copy of the survey, we would appreciate it if as many residents as possible would complete the online version in order to avoid the necessity for volunteers transcribing the contents of the printed copies onto the online version to carry out statistical analyses of the replies. This will be available via a link from the Brampton Parish Council website when the printed copy is distributed.

To obtain as wide a selection of views as possible, we encourage all members of every household to complete the survey. However, if accessing the online version is not your choice, there will be details of who to contact for extra copies of the printed forms, should you require them, and who to contact to arrange collection of the completed forms.

Details of who to contact if you have any questions about the survey or need any assistance whatsoever, will also be provided. All responses will be treated anonymously as required by the GDPR regulations so please help us to create the best possible plan by having your say on the future of our villages.

Thank you David Catton,

Environment Garden tips for December

- Clear leaves from lawns, flower beds and ponds
- Raise containers off the ground to prevent waterlogging
- Plant tulips for spring colour
- Insulate tender plants from frost
- Plant winter bedding

Institute Planters

Although the 'missing' planters from outside the Institute haven't been recovered, we're pleased to announce that replacements have been obtained, now with new and donated plants sitting proudly in them. Thanks to our volunteers for their hard work and to 'Jo' for a substantial donation. Hopefully the planters will stay put for many years to come!

Cutthorpe WI

Cutthorpe, Holme Hall and Linacre WI meet on the first Thursday of the month at 2.00 pm in the Institute. We extend a warm welcome to all.

Please contact Sue Foster 01246 233059 for further information concerning our December and January meetings as the dates and venue are different to the above

Discussion & Dining Group

John Robinson's group is still proving popular and growing, with a wide range of topics discussed. They meet on the last Tuesday of the month, contact John Robinson at applewoods@talktalk.net or phone 232230 / 07847 373207.
