Parish Council News

Main Road Speed Limit

The Parish Council have been discussing with the District Council whether the signage relating to the 30mph speed limit through the village can be enhanced and further meetings are planned in June. It is looking as though some progress will be made, but also likely that there will be a request for the village residents to consider how best to make the entry points and other parts of the village more noticeable so that drivers are more aware that they are entering and driving through a village community. An update will be provided in the next newsletter, although if you have any ideas please forwarded to Ken Lawrie on ken.lawrie@btinternet.com who will discuss with the parish council.

Defibrillator in Phone Box

Following a successful process by Old Brampton residents to get a defibrillator installed in the old phone box in their village, a similar process is now to be considered by the Parish Council for Cutthorpe. To be successful, their needs to be at least 6 residents who are prepared to undertake basic training in how to use the equipment in an emergency, so if you are interested please contact Ken Lawrie on ken.lawrie@btinternet.com

Mobile Library dates

The mobile library will stop at Riggotts Way at 10.15 - 10.45 on 22nd June, 20th July and 17th August.

Deadline for next newsletter is 23rd August 2016. Contact Hilary Sinclair 297749, 07973 429974 cutthorpeinfo@gmail.com,

Cutthorpe Primary School News

Over recent weeks the children at Cutthorpe Primary have been taking part in Derbyshire's walk to school week and as part of this families have been encouraged to park lower down the village and take the short walk up the hill to school. This has not only reduced congestion around the school but also helped to promote a healthy lifestyle. We are also working closely with our local community police officers to encourage safe, legal parking and plan in the coming weeks to involve our oldest children (in Year 6) in some speed monitoring activities. The rest of the children are going to be designing posters to reinforce the importance of motorists driving safely through our village.

This year our summer fair will be held on Saturday 16th July from 12.00-2.00pm. All community members are invited to join us and raise funds for the school.

Cutthorpe Choir

The Merry Lads and Lasses

had a successful first outing at the Three Merry Lads Open Mic night entertaining a packed bar with several numbers plus a superb piano solo by Lydia. They'll be singing at the Blessing of the Wells and an appearance at the Cutthorpe Festival is eagerly anticipated! New members are always welcome at 7.30 in the upstairs room at the Three Merry Lads. There's a voluntary donation of £2.00 to help with the purchase of music and for their talented accompanist Lydia. Feel free to come along or contact John Thurstan on 231336 for more information.

Cutthorpe Institute:
