Cutthorpe Festival 2017 Thank you's

We were a lot luckier with the weather this year - cloudy but at least no rain! This is a free, non profit making event put on for the benefit of the village and we are very lucky that so many are prepared to put the effort in to make it go so well. We had more stalls and the addition of the Dog Dash was a great success - thanks to Nigel and Sally for organising this.

Other thanks must go to the many people, too numerous to name individually who helped make this an event we can all enjoy, but we'd like to mention Stuart for organising the scarecrow dressing event, the well dressers, all those who worked in the recreation ground and the Institute, Barbara and helpers who worked so hard for the Institute and never forgetting Mick and Karen, who for many years managed the organisation almost single handedly and still contribute so much. Not least, thanks to Andrew for allowing us to park in his field.

We are already thinking about next year so if you have any ideas or would like to help in any way contact Ken Lawrie - ken.lawrie@btinternet.com.

There are photos on the website in the Events Gallery to give a taste of the occasion.

The Great Get Together

This was an extremely successful occasion in June where people from the village came together in the beautiful surroundings of John and Paddys field, the existence of which was a surprise to almost everyone and admired by all. Many thanks to them for their generosity in offering this perfect location and also to John for his hard work in the pouring rain to get it ready. We had wonderful weather on the day, and it

The Three Merry Lads

You'll probably all be aware of Justin's exit from the pub in July, causing it's immediate closure. New tenants, Brian and Sally agreed to come in early as they weren't due to start until September. The pub is now open again, but there is a lot to do to get it into shape. Brian and Sally have plans but would like to hear from us all about what we'd like to see.

Dogs (well behaved!) and walkers will be welcome and after getting the kitchen up to scratch they want to get the back bar working properly with serving staff.

Food will be served from the middle of September, date and menu to be confirmed. Brian and Sally are planning good quality pub grub and are currently searching for the right chef.

They will be happy to try to accommodate our suggestions - e.g a breakfast club. It would be good to have more activities like darts, pool, etc being played once again - but they need your help. This is a local village pub and is a central meeting point for village activities. We need to support the pub to make it a success and make the effort to pop in whenever we can.

Brian, Sally and family want to thank everyone in the village who have been so friendly and made them welcome, they look forward to seeing you soon.

was enjoyed by all - hopefully to be repeated. Pete Stott penned a moving poem for the event, you can find a link to it on the website with the photos in the Events Gallery (www.cutthorpe.org.uk/gallery2017.htm) Arlene and John were instrumental in getting this up and running - thank you both (and Ken for providing electircity for the bouncy castle!)

Festival Weekend

The residents of Cutthorpe were asked by the Parish Council to raise £10,000 as the village's contribution to the purchase of the Institute from the church and up to the beginning of July we had raised £8,700. Although we'd hoped to achieve the balance of £1,300 with the well dressing weekend, we're not far off.

Cream teas	£619.60
Well Dressing	£289.70
Books & craft sale	£30.00
Tombola	£166.00
Car parking on Andrew's field	£50.00
Cutthorpe Art Group	
direct donation	£50.00
Total at 14 August:	£1,205.30

Of course, none of this could have been achieved without the help and dedication from various groups from the village, including those who gave their time at the well blessing, so thank you all. However, special thanks must go to the Booker and Ridal families, who lived in the village some years ago. The amount they raised in one afternoon from cream teas was incredible. THANK YOU!

Barbara Stringer

Tombola 2018

A magnificent £166 was raised at the Fete on 15 July, but could you do better next year? We need someone to collect and store donated items both from the village and from local sponsors, as well as arranging for the stall to be manned (or womanned) on the day. Details from Barbara Stringer on 620314.

Calendars 2018

A thank you to all who submitted photos for consideration for inclusion in next year's calendar. We now have a wide range to choose from and look forward to repeating the success of 2017, when we made our best ever profit.

Deadline for next newsletter is 25th November 2017. Contact Hilary Sinclair 297749, 07973 429974, cutthorpeinfo@gmail.com,

Environment

We are pleased to let you know that Cutthorpe 2000 are funding two planters for the village, one to be sited at Brockwell Lane and the other above the phone box (library)

In addition we now have the area at Four Lane Ends replanted and it looks great, both this bed and the two planters will be maintained and replanted twice a year and if we get sufficient funds we may commission two further planters when possible.

Many thanks to Mick Lane, who has repaired the phone box and Becky for doing a sort out of the books. The light now works and the box is to be repainted. To ensure books are kept dry a plastic box will be placed on the floor for new donations. This is good news for everyone who makes use of this village amenity.

Garden tips for September

1. Divide herbaceous perennials
2. Plant spring flowering bulbs
3. Collect and sow seeds from perennials and hardy annuals.

Road Safety

Speeding cars and motorcycles through the village are a recurrent concern. Some communities are taking action themselves using wheelie bin stickers. These are a visual reminder to motorists to drive safely, and stick to the speed limit along our busy roads. It is thought that temporary signs of this nature have a greater effect than more permanent signs.

It doesn't clutter the area with signage, or urbanise rural communities, but it does allow drivers to be reminded once a week about the speed limit in force on the particular stretch of road, and of their responsibility to keep to it. They are also low-cost and durable. You may have seen some with yellow backgrounds already being used in the village - these were obtained from www.smartwheelie.co.uk.

Cutthorpe 2000 committee

The Cutthorpe 2000 committee was formed to organise activities and events for the village and this year have organised the popular Jazz Evening at the Institute, the litter pick and funding the Great Get Together in June. They will be paying for the new planters to be placed in the village in the near future and, as always, the production of the Cutthorpe Calendar (their main source of revenue).

If you have any ideas for things we might do for the village you are very welcome to come along and contribute or just listen. The next meeting of the committee will be on 13th November 2017, 7.30 at the Three Merry Lads. If you want to find out more call David Catton or speak to any of the other committee members.

Cutthorpe School News

The School are starting a breakfast and after school club from September onwards. We have been waiting for approval for a while and have now received it. This is good news for any families in the area that might be thinking of joining the school but have been held back previously by the lack of a wraparound care facility. Contact the school for more details on 01246 234585.
